### **Faith in the unseen - Hebrews 11:1-16**

Read Hebrews 11:1-16

1. How would you define faith? Give examples in everyday life where people 'live by faith'.

2. How does the passage define faith? Explore together what verse 1 means in practice for the Christian. Why do we need faith to please God (verse 6)?

3. Why can we have confidence that what we believe is rational and not blind faith or believing in things that have no foundation?

4. Look at the Old Testament characters and how they lived out their faith. What stands out to you from their lives?

5. Allan gave 5 ideas on how to grow in faith:

Feed it (the Bible)

Exercise it

Speak to one another about it

Pray about it

Share it with non-believers

Discuss these together. Are there practical things you can do to grow in your faith?
